

Reception Timetable Week 1

This is a timetable of what you should try to do with your child each day. We would really appreciate if you could upload any learning that you do at home onto Learning Book. This will keep us up to date with their learning and we love to see all of the amazing things they get up to!

Phonics 30 mins	<p>Phonics RWI videos will be sent directly to your email. You will recognise these as ones that have been sent to you before. Each day you will have a set of videos to follow which will take around 30 minutes. Please follow these with your child, they are also very useful for you to understand what they are learning and how they are learning to read and write.</p> <p>You can also use the green words provided to you in their packs to practice reading and writing.</p>
Maths 30 mins	<p>https://whiterosemaths.com/homelearning/early-years/alive-in-5-week-1/</p> <p>Please follow the link above to find White Rose Maths home learning lessons. Each day, watch a video starting from session 1 and follow this up with the activity next to the session video.</p> <p>If you would like extra maths you can also watch and complete the maths lessons on White Rose Maths under Light and Dark as a recap of learning.</p> <p>Lessons 1-5 Lessons 6-10 Lessons 11-15</p>
Reading 15 mins	<p>Please make sure you regularly log in to Bug Club. If you need a reminder of your log in please just email me. I have allocated your child at least 10 different books to their level. These are the same as their reading books that are sent home but just electronic versions. You should aim to read with your child for 15 minutes every day. Please get you child to do this as independently as possible. You can help them if needed and try to ask lots of questions around the story to help their understanding.</p>
Activities	<p>Please access the document on the Reception page 'Home Learning Week 1' There is a variety of different activities for you to do throughout the week which follow our topic of this half term – Jack and the Beanstalk.</p> <p>Please take pictures when completing these activities and upload these to Learning Book. It will be amazing to see what you get up to at home!</p>
