

Hello Everyone! I have made an overview of what a week in school would roughly look like. I appreciate that lots of you have other commitments and will not be able to replicate this week exactly. It is more to act as a guide and a support for you. If you submit work to Google Classroom we will respond as soon as we can. You will receive emails with your child's phonics work at the start of the week. If you are unable to access the work online then packs are available from school. The phonics videos can be watched on phones and are really useful. I will also be setting some fun activities to do on Purple Mash. Thanks for your support and stay safe, Mrs L.P.

	Phonics	Maths	Break	English	Guided reading	Lunch	Varied	Story time
